

JUSTINE WALSH – PRIVACY NOTICE

I am Justine Walsh, a Meditation Teacher (Dip BSoM).

When you attend one of my courses, private sessions, or subscribe to my newsletter, I will collect information which is relevant to provide services to you. I am committed to protecting all personal data.

When do I collect information about you?

- When you register for a course or session
- When you choose to “opt in” and subscribe to my newsletter

What information do I collect about you?

The information I hold includes:

- Contact details
- Registration form submission details including health disclosure
- Newsletter subscriber details: Name and email address
- Contact form submissions: Name, email address, subject, message body
- Further information if you contact me with comments or specific requests

Cookies

I do not collect any personal identifying information without your knowledge when you visit my website. Cookies are used on the website purely to help understand more about how the site is used and to help improve the user experience.

Third Parties

None of your information is passed on to third parties without your consent. The only exception to this would be if I am required to do so by local or international law.

Marketing

I would like to send you information about services and special offers which may be of interest to you. If you complete the “opt in” section of a consent form or confirm “opt in” by email you will receive this information via a newsletter/email. You have the right to “unsubscribe” at any time.

Access to your information

You have a right to access any personal information I hold about you and to have any inaccuracies corrected. There is a small administration charge of £10: Please address all requests to Justine Walsh 12 Purley Park Road, Purley, Surrey, CR8 2BS.

Compliance

I am registered with the Information Commissioner's Office. You have a right to complain to the ICO if you think there is a problem with the way I am handling your data.

Information Safeguarding

I am committed to regularly reviewing my security standards and procedures to help prevent unauthorised access to personal information, improper use or disclosure, unauthorised modification and unlawful destruction or accidental loss.
